Dunlop Mk. II Brake Valves: Additional Services

15th December 2025

Retrotec is pleased to announce that we now offer a conversion service for Dunlop Mk. II Brake Valves. Specifically, we can convert:

- AH8288 (110psi) brake valves to AH8422 (200psi) specification
- AH8422 (200psi) brake valves to AH8288 (110psi) specification

We will offer this as a premium service alongside our existing refurbishment service. Our prices are:

| | |
|--|-------------------|
| • Standard refurbishment of AH8288 or AH8422 brake valves | £1,950+vat |
| • Conversion of one brake valve type to the other <u>including refurbishment</u> | £2,150+vat |

Shipping and import charges will be added as appropriate. **Please read the separate Information Bulletin concerning recent difficulties importing goods into the UK.**
