

Retrotec Ltd does not fall within the scope of Section 54 of the Modern Slavery Act 2015, due to the company turnover being less than £36 million per annum.

Retrotec Ltd is, nevertheless, committed to:

- Ensuring that slavery and human trafficking is considered and addressed in our approach to corporate social responsibility.
- Carrying out regular audits to ensure that all our employees are paid at least the National Minimum Wage and have the right to work in the UK.
- Identifying and addressing any areas of high risk in our supply chain.
- Encouraging and ensuring that any concerns about slavery or human trafficking either within our company or in our supply chain can be raised through our whistleblowing procedure.
